SUMMARY

Creative and detail-oriented UX/UI Developer with over 15 years of experience designing and developing accessible, responsive, and high-impact web applications. Proven track record of delivering transformative digital experiences in Agile environments, including key contributions to initiatives that accelerated business outcomes—such as reducing loan processing times from 30 days to 30 minutes. Expert in front-end development, accessibility (WCAG), Angular, and reusable component design. Passionate about building intuitive, inclusive user experiences that balance form and function with performance and usability.

CORE SKILLS

HTML	CSS/SASS	WCAG
Javascript	Angular	Adobe CC
TypeScript	PHP	Bootstrap
Wordpress	GIT	Communication
Critical Thinking		Time Management

EXPERIENCE

BANK OF MONTREAL
UI Developer / Web Accessibility Expert
DEC 2018 — JUN 2025

`Angular` `Responsive Design` `WCAG` `CSS/SASS` `GIT` `Typescript` `HTML` `Agile`

- Transformationally improved accessibility experiences on Canadian and US projects

- Worked within an Agile team to develop responsive single page applications using Angular with a focus on user experience

- Key member of BBX team; the project reduced small business lending process from 30 days to 30 minutes and gave out $1 billion in new loans in the first six weeks

- Contributed significantly to BMO's design system, developing many intuitive, reusable Angular components that were implemented to great success across multiple projects

CCS CREATIVE
Lead Web Designer / Developer
JUN 2015 — OCT 2018

`Wordpress` `Responsive Design` `Javascript` `CSS/SASS` `PHP`

- Recieved frequent praise from clients about the quality and effectiveness of their new websites

- Increased online reservations for Firkin Pubs by 150%

- Combined visual design and coding skills to create elegant responsive websites

LOERCHNER.COM
Web Designer / Developer
APR 2010 — JUN 2015

- Consistently met demanding deadlines in a freelance-style environment

- Created pixel-perfect responsive web pages
